

DIGGERS™ Kerosene

DESCRIPTION

DIGGERS™ Kerosene is a light, oily liquid obtained during the distilling of crude oil and is commonly used as heater fuel and degreaser.

TYPICAL USES

- Kero heater and lamp fuel
- Blow lamp fuel
- Engine degreaser
- Fire starter
- Surface cleaner

FEATURES

- Blue liquid with a mild odour
- Used for decades as a heater fuel

APPLICATION

Wood-Fire Starter

- Pour over wood and leave for a few minutes before lighting Do not use in barbecues as it will leave a residual chemical taste.

Surface Cleaner

- Add a few drops in water to make surfaces such as bath tubs and sinks sparkling clean – rinse off with warm water (do not use on glass).

Heater/Lamp Fuel

- Follow the recommended procedure from your appliance manufacturer. Fill burner ONLY when flame is extinguished and burner has cooled down.

SAFETY

Wear suitable protective clothing, gloves and eye/face protection when using this product.
