

PRODUCT INFORMATION

PowerFeed PRO SERIES

ALL PURPOSE INCLUDING NATIVES

PowerFeed PRO SERIES All Purpose including Natives is a dynamic fertiliser boosted with fish, seaweed, liquid compost and a soil wetter.

A premium performer for a stunning garden and pots for lush foliage, brighter blooms and tasty homegrown produce. It contains a balanced nutrient and trace element mix to promote healthy, vigorous growth, and stimulates flowering and fruiting.

Boosted with seaweed, it helps stimulate strong root growth and increases tolerance to heat, drought, frost, pests and diseases.

It contains liquid compost and a soil wetter which helps to improve soil health to maximise nutrient and moisture retention. It also increases watering efficiency and minimises run-off and water wastage.

INSTRUCTIONS FOR USE

PowerFeed PRO SERIES All Purpose including Natives is a fast-acting liquid that goes to work immediately when applied to the soil. For best results, use regularly every 1 to 2 weeks throughout the year depending on the plant and its requirements.

Safe on all plants and soils, as it contains a soil wetter it should be applied to the soil.

It can be applied via a watering can. Generally, mix 50mL of concentrate per 9 litres of water or follow the application table below for more specific rates. Each 9 litre watering can application treats up to 2 to 4 square metres of plants or soil.

PLANT TYPE	RATE PER 9L WATERING CAN	FREQUENCY
Ferns	10mL	1 - 2 weeks
Indoors/Seedlings/Potted Colour	20mL	1 - 2 weeks
New Plantings	30mL	At planting & again 2 weeks later
Herbs, Veggies & Annuals	50mL	1 - 2 weeks
Established Plants	90mL	1 - 2 weeks

TYPICAL ANALYSIS

W/W: Nitrogen (N) 12%.

Phosphorus (P) 1.3%.

Potassium (K) 7.0%

Promotes robust root development & encourages healthy growth

Enhances flowering & fruiting for beautiful blooms and delicious fruits & veggies

Liquid compost helps to improve the soil structure to increase worm activity

Helps reduce environmental stresses and improves water penetration

USAGE TIPS

PowerFeed PRO SERIES All Purpose including Natives is the perfect partner for any plants in the garden or pot whenever it's needed.

- ✓ Quick and easy to use, it's great for soil or potting mix.
- ✓ Apply when harvesting produce or picking flowers. Check plants and prune diseased foliage to keep plants looking good.
- ✓ To avoid plant stress on hot days, apply early in the morning or late in the day when it is cooler.
- ✓ In cold and frosty weather apply to the soil early morning to reduce the chance of fungal diseases on the foliage.
- ✓ After application, ensure the mixture is washed off the plant foliage to avoid burning it.
